The seminar will take place in a hybrid form. Hours are expressed in Central European Time (CET). We kindly welcome participation, asking questions, and planning for further international collaboration!

Online participation is possible after registration through this link: <https://forms.office.com/e/DX0jf61r3f> The link to the webinar will be made available after registration.

Onsite participation is possible in room 135, at the Institute of Public Health JU MC, ul. Skawińska 8, 31-066 Krakow, after contacting the Organizers at sekretariat@izp.cm-uj.krakow.pl

This seminar has been organized in the framework of the following cooperation agreements:

- Jagiellonian University Medical College (JUMC) and EHESP French School of Public Health – including financial support received from EHESP for developing international cooperation on public issues related to the ongoing war in Ukraine, in light of the situation created by the Russian invasion which has become a source of major concern within Europe and notably in the higher education sector;
- JUMC and National University of Ostroh Academy;
- JUMC, EHESP, and School of Public Health Management of the Republic of Moldova;
- JUMC and Gdansk Medical University.

Coordination of organizing the seminar: Tomasz Bochenek, t.bochenek@uj.edu.pl
