

ASPHER Deans' and Directors' Retreat 26 - 29 May 2019, Erice, Italy Abstract Instructions

Abstracts are to be submitted on behalf of Member Schools. Directors are encouraged to take part as authors.

Presenting authors must be affiliated with a Member School, are required to register for the Retreat.

Abstract word limit: 500 words.

The submission deadline is 15 January 2019.

Note that the abstracts on the main topics (1 to 8) of the Retreat will be considered as possible presentations in plenary and parallel sessions.

All abstracts will be reviewed by the Scientific Committee and assessed by Session Coordinators for inclusion in plenary and parallel sessions (topics 1 to 8), or short communications.

Only one topic heading may be chosen for the abstract submission.

Abstracts must be relevant to public health training, education and/or workforce and address one of the following topics:

Topics:

1. Precision Medicine and Public Health Genomics
2. Digital Health and Innovation
3. Immunization and Vaccination Policies
4. Antimicrobial Resistance
5. Climate and Health
6. Determinants of Health and Universal Health Coverage
7. Public Health Law
8. Public Health Workforce & Leadership
9. Health Impact Assessment - Environmental & Urban Health
10. Migration and Health
11. Mental Health
12. Home and Hospital Hygiene
13. Miscellaneous

Online submission for abstracts will be available starting Tuesday, 4 December 2018 at:
