a) University of Chester

2016/7 - 4,165
2017/8 – 4,465
Average – 4,315

b) Faculty of health and social care

2016/7 – 890
2017/8 – 975
Average – 932

28. Start date of the Academic Year: 1 August

29. Date of the Exam period in your Institution:

- a) Term 1: January/February
- b) Term 2: April/May
- c) Term 3: August

30. Mission statement:

The University, a Church of England institution founded in 1839, continues to be guided by Christian values and is justifiably proud of the open, inclusive and supportive environment that characterises the institution. The University welcomes students and staff of all faiths or none.

The University seeks to provide all its students and staff with the education, skills, support and motivation to enable them to develop as confident world citizens and successfully to serve and improve the global communities within which they live and work.

This Mission, which has helped shape our development and diversification, continues to actively inform its future planning and enrichment as a University.

31. Source(s) of Funding:

How the University of Chester receives its funding in 2018

Funding Council Grants	£15,349,137
Tuition Fees & Support Grants	£72,535,589
Research Grants	£801,345

The Association of Schools of Public Health
in the European Region

Other Income _____ £15,662,745
Interest Receivable _____ £115,547

32. **Ordinary Budget in Euros:** _____ € 145,725,440.00/
_____ £ 128000000

33. **Statute of your institution (University/Non-university structure, Public/Private):** University

34. **Programmes provided by your institution (name and duration for each, attach file/provide weblink with the curricula):**

I assumed that this question is asking for public health programmes, not all the programmes that the University of Chester offers. In that case, a public health programme that University provides is:

Master of Public Health

The normal length of study:

Minimum of 1 year (full-time), 2 years (part-time)

The maximum length of study, 6 Years

<https://www1.chester.ac.uk/study/postgraduate/master-public-health/201910>

35. **Does your institution participate in the ECTS project? (Yes):** Yes

36. **Areas of interest/expertise of your institution:**

Health and social care

Effective delivery of health and social care in all the areas of nursing, social work, inter-professional education including dentistry medicine, midwifery paediatric, psychiatry (mental health) multidisciplinary

Public Health

Health inequalities

Epidemiology
