

2019/2020

Professional Postgraduate Training

Programmes and Courses Overview

2019/2020

Professional Postgraduate Training

Swiss TPH offers numerous health-oriented programmes and courses based on the concept of lifelong learning. This professional postgraduate education and training allows individuals to build practical skills and knowledge at a later point in their personal and professional lives. All offerings are accredited by the University of Basel. For detailed information visit: www.swisstph.ch/ppt or contact courses@swisstph.ch
