

# 6 GOOD REASONS TO JOIN EUROPUBHEALTH+

## STUDY IN SEVERAL EUROPEAN COUNTRIES

France, Ireland, Belgium, United Kingdom, Spain, Poland, The Netherlands. In only two years, Europubhealth+ students get to study in at least 2 European universities and in up to 3 languages: English, Spanish or French.

## LEARN FROM HIGH PROFILE INTERNATIONAL FACULTY

European and Non-European professors from various backgrounds bring their expertise to the Europubhealth+ programme.

## GRADUATE FROM TWO RENOWNED UNIVERSITIES

Upon completion of the 2-year course, Europubhealth+ students receive two national Master's degrees as well as a joint certificate and diploma supplement.

## PURSUE YOUR PUBLIC HEALTH TRAINING AT PhD LEVEL

Around one third of our students continue with a PhD programme after graduation.

## ACCESS A WIDE RANGE OF EMPLOYMENT OPPORTUNITIES

Thanks to the 7 different specializations offered, Europubhealth+ graduates can work as public health experts in the private or public sector at a global, national or local level. They also have access to a large professional network through the 6 Europubhealth+ universities' partnerships and collaborations around the world.

## MEET PEOPLE FROM ALL AROUND THE WORLD

The Europubhealth+ Master course counts more than 300 graduates of 80 different nationalities.

# Alumni's Words

“Europubhealth brought the world to me in one classroom”

Linda – USA

“Europubhealth was a fantastic experience. It offered me a nice multicultural environment and it gave me valuable tools to strengthen my career path” Diana – Brazil

“What makes Europubhealth different from other MPHs is that it brings you the intercultural competency that is important if we are to meet the common goal of increasing the equity and quality in health care”

Cristina – Colombia

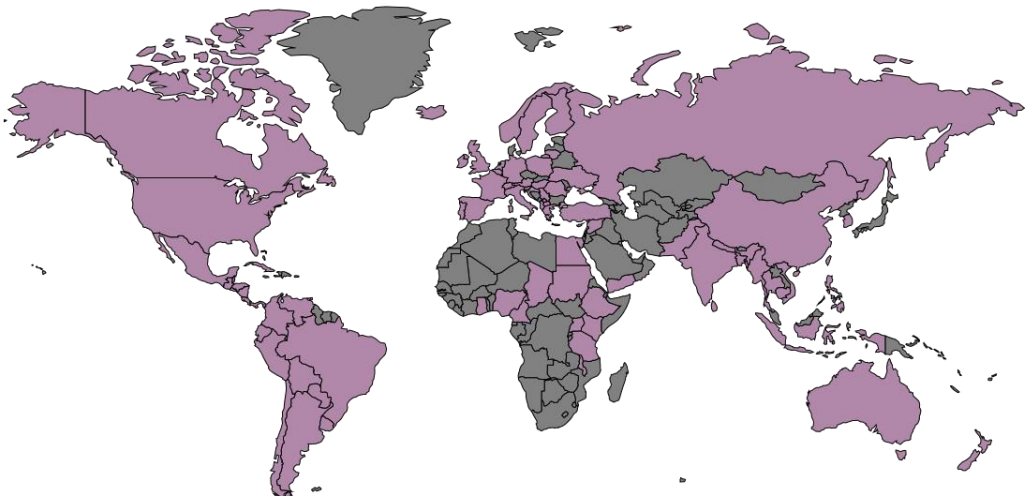

“This program is a life time opportunity that makes all the difference in my public health career! It brings you enough skills to face the current competitive labor market in this field”

Clara - UK

“The best experience in education and friendship I’ve had in my life”

S.X. – China

“Europubhealth brought me tremendous benefits and a pathway to a PhD program” Phong - Vietnam
