

ASPHER 2020 Deans' & Directors' Retreat Call for Abstracts

Sofia, Bulgaria
31 May – 3 June 2020

ASPHER and the Faculty of Public Health at the Medical University of Sofia are pleased to invite you to submit an abstract to the 2020 Deans' & Directors' Retreat. Participate and be a part of the exciting retreat, which showcased priorities for the ASPHER 2025 Strategy.

PLEASE NOTE that we are not looking for traditional scientific research presentations, but rather presentations and sessions related to best/good practices and networking strategies for schools and programmes of public health. The topics in the call correspond to the 6 core areas of the ASPHER 2025 strategy and will help kick start our work over the coming five years.

1. Education & Training
2. Research & Knowledge (including journals)
3. Service & Work with local communities
4. Public Health Workforce Professionalisation
5. Students & Alumni
6. Global Collaboration
7. Other topics, including but not limited to organisational transformations & school reforms

Abstracts are to be submitted on behalf of ASPHER Member Schools. Lead authors need therefore to be affiliated with a Member or Associate Member School and must have the agreement of the School's Director. Presenting Author(s) must be registered for the Retreat. Abstracts (max. 500 words) will be considered as possible presentations in relevant parallel sessions.

Deadline to submit Abstracts: 1 March 2020

Register and submit your abstract [here](#).
