Welcome Reception

incl. welcome address by Martin McKee

(open/registration required)

Time: 19.00 to 21.00

Host: London School of Hygiene and Tropical Medicine (LSHTM)

Location: Library, LSHTM

THURSDAY 21 JUNE

Arrival of participants (08.45 to 09.30)

Research, teaching and capacity strengthening on migration and health

(open / registration required)

Time: 09.30 to 12.30

Host: Centre for Global Chronic Conditions, London School of Hygiene and Tropical Medicine (LSHTM)

Location: John Snow Lecture Theatre, LSHTM, Keppel Street, WC1E 7HT

Time	Theme/title	Presenter
09.30-09.35	Introduction	Bayard Roberts
	Migration in Europe	Chair: Jennifer Priaulx
09.35-09.50	Coping amongst internally displaced persons in Georgia	Maureen Seguin
09.50-10.05	Responsive mental health systems for Syrian refugees – the use of rapid appraisal methods	Daniela Fuhr
10.05-10.20	Mental health and harmful alcohol use amongst internally displaced persons in Ukraine	Bayard Roberts
10.20-10.35	Health systems responses to migration	Bernd Rechel
10.35-10.55	Break	
	Teaching and research capacity strengthening	Chair: Hazel McCullough
10.55-11.15	Strengthening research capacity building in humanitarian crises – the RECAP project	Hazel McCullough
11.15-11.30	Development of training modules for health professionals and law enforcement officers on migrant and refugee health	Karl Blanchet
11.30-12.30	<p>Round table:</p> <p>How are Schools of Public Health responding to the migration crisis? How should they be responding?</p> <p><i>The panel will include 5 representatives of schools of public health who have been involved in different ways in response to the migrant crisis. Like all of the round tables, it will be highly interactive, with maximum audience participation. This could include research, developing new courses, or advocacy. This is an opportunity to explore and share lessons learned from this process. The discussion could ask whether we have done enough and, if not why not. Looking ahead, it could explore whether Schools of Public Health are able to respond to rapidly changing situations. Senior representative from IOM will join the panel as well.</i></p> <p>Henrique Barros (University of Porto, Portugal) Laurent Chambaud (EHESP, France) Olivier Razum (University of Bielefeld, Germany) Ewelina Wierzejska (Poznan Medical University, Poland) Alkiviadis Vatopoulos (National SPH, Greece) Roumyana Petrova-Benedict (MHD IOM Brussels)</p>	Facilitator: Martin McKee

New sources of data and methods for public health

(open / registration required)

Time: 14.00 to 17.30

Host: Centre for Global Chronic Conditions, London School of Hygiene and Tropical Medicine (LSHTM)

Location: John Snow Lecture Theatre, LSHTM, Keppel Street, WC1E 7HT

Time	Theme/title	Presenter
14.00-14.20	A world of data: an overview	Martin McKee
	New sources of data: I	Chair: Martin McKee
14.20-14.40	The use of advances in technology to collect spatial and population data in complex situations	Chris Grundy
14.40-15.00	Health and the build environment. Google Street View	Harry Rutter
15.00-15.30	Break	
	New sources of data: II	Chair: Harry Rutter
15.30-15.50	Behind the words: quantitative textual analysis	Aaron Reeves
15.50-16.10	What people really think: On our radar	Ben Palafox
16.10-16.30	Imaginative uses of health care data	Liam Smeeth
16.30-17.15	Round table: How are Schools of Public Health making use of new data sources? <i>This round table of 2 representatives of schools of public health and 2 others coming from the European Network of Medical Residents in Public Health (EuroNet MRPH) and the European Centre for Disease Prevention and Control (ECDC) will provide some examples of how we are responding to the new opportunities and challenges offered by the explosion in data sources. These could include training in their use or in related issues such as ethics or the potential of new data to shift the power balance in society (with Facebook knowing our innermost secrets) and the resulting threat to public health.</i> Anna Odone (University Vita-Salute San Raffaele, Italy) Maurice Zeegers (Maastricht University, Netherlands) Damir Ivankovic (EuroNet MRPH) Carmen Varela Santos (ECDC)	Facilitator: Martin McKee

Closing Remarks Day 1 by Bettina Borisch (WFPHA) (17.15 to 17.30)

ASPHER-ECDC Working Group Meeting

(ASPHER-ECDC WG members / registration required)

Time: 17.45 to 19.00

Location: Rose Room LG6, LSHTM, Keppel Street, WC1E 7HT

Festive dinner

(open / registration required)

Time: 19.30 to 22.00

Host: London School of Hygiene and Tropical Medicine (LSHTM)

Location: Wellcome Trust

FRIDAY 22 JUNE

Arrival of participants (09.00 to 09.30)

Innovations in teaching and learning

(open / registration required)

Time: 09.30 to 12.30

Host: Teaching and learning support: London School of Hygiene and Tropical Medicine (LSHTM)

Location: John Snow Lecture Theatre, LSHTM, Keppel Street, WC1E 7HT
