Laurea University of Applied Sciences, Finland

by Teija-Kaisa Aholaakko

ASPHER Deans' and Directors' Retreat – London 2018
ASPHER General Assembly
20 June 2018

Gratefully from the ASPHER membership Laurea University of Applied Sciences (FIN) demonstrates its strategic goal to be an international developer of well-being and competitiveness in the Helsinki Metropolitan area in 2020. Our work as a university of applied sciences serving the needs of the area is characterised by our brand promise:

together we are stronger.

Laurea in figures:

Number of Equivalent Full Time Staff: appr. 500
